

**Eye Associates of New Mexico  
remains committed to offering  
top-notch eye care at reasonable  
rates. Despite efforts to control  
costs, we must adjust our refraction  
fee to \$60 starting on 7/01/2024  
to uphold quality and to adapt to  
industry changes.**

**We thank you for the continued support  
as we proudly serve the communities we  
have lived in and grown with since 1976.**

**WE SEE YOU.**
